

Authors' Response to Reviews of

Title of the Manuscript

Author 1, Author 2, Author 3

Journal of [...], ID

RC: Reviewers' Comment **AR:** Authors' Response

Numbering to figures, tables, references, and equations are to the original manuscript. Framed texts are direct modifications to the manuscript, starting by the page number pointing to the new manuscript.

This is an important note.

This is another informational note.

Comment #2.

RC: *The authors should consider the impact of X on Y.*

AR: We have now considered the impact of X on Y.

Reviewer #2

The manuscript is not publishable in its current form. The authors should consider performing [...]

Comment #1.

RC: *I would do X differently, and I would like to see Y. Please justify.*

AR: We express our thanks for the reviewer's remarks. We have now done X differently and included Y.
